

UQ ART MUSEUM

THE BOARDROOM

Engage with live audiences and remove viewers in our Boardroom

The Boardroom comes equipped with a full AV system including projector and screen, and blackout blinds. Please note the AV system in the Boardroom is not compatible with Apple products. We recommend you bring a HDMI adaptor if you have this type of device.

The Boardroom features a servery and a small, enclosed kitchenette for the preparation and serving of catering and refreshments.

Maximum capacities

- Meetings: 16 seated
- Breakfast/lunch/dinner: 16 seated
- Panel discussion: 25 seated
- Cocktail function: 35 standing
